

MULTI USE PATH COUNT FORM

Name: _____ Location: _____

Date: _____ Start Time: _____ End Time: _____

Weather: _____

Please fill in your name, count location, date, time period, and weather conditions (fair, rainy, very cold). Count all bicyclists and pedestrians crossing your screen line under the appropriate categories.

- Count for two hours in 15 minute increments. Record the increments under the time column in the form. If you will count for more than 2 hours, use an additional form.
- Count the number of people on the bicycle, not the number of bicycles.
- Pedestrians include people in wheelchairs or others using assistive devices, children in strollers, individuals using skateboards, scooters or rollerblades etc.
- Count bicyclists and pedestrians in both directions.
- After completing the counts, calculate the totals.
