

JOIN THE RIDE CELEBRATE THE TRAIL!

New Haven to Simsbury Bike Ride on the path of the East Coast Greenway! Friday April 29

On Friday, April 29th the East Coast Greenway Alliance will host a bike ride from New Haven to Simsbury along the Farmington Canal Heritage Trail. The ride supports the East Coast Greenway Alliance Spring meetings, to occur in Simsbury April 30th and May 1st. Most of the ride will be on finished, off-road trail, and in places where it has not yet been built, along well marked roads (cue sheets will be available).

Shuttles will be available to a) bring riders from Simsbury to New Haven for the start in the morning and b) bring New Haven area riders and bikes back to the start in the late afternoon/evening. Complimentary parking in New Haven is generously provided by 360 State Street, a LEED-platinum residence in downtown New Haven.

The ride will begin at NOON, in downtown New Haven, at the SW corner of the New Haven Green, at the corner of Chapel and College Streets. Three groups, for slow, medium and fast riders, will be escorted. A sag wagon will be available. Helmets are required. Bike rentals are available at a discount through Devil's Gear Bike Shop in downtown New Haven: <http://thedevelopersgear.com/>

Learn a bit more at the event [facebook](#) page, and register by emailing [Kitty Carter \(kitty@greenway.org\)](mailto:kitty@greenway.org), ECGA's office manager. Fees: free to ECGA members; non-members: \$10 to join the ride, + \$10 to use the shuttlebus leaving Simsbury at 9:30 am to the start in New Haven, or to return to New Haven from Simsbury at the end of the day.
