My Community is Sustainable When...

Residents, businesses and students from across the Capitol Region are encouraged to participate in the conversation – My Community is Sustainable When...

A collage of submissions will be posted to CRCOG’s soon-to-be-launched Green Clearinghouse website www.GreenRegionCt.org.

Visit http://www.youtube.com/TheSustainableCR to view videos on sustainability.

Sustainable Communities are...

Urban, suburban or rural communities that have more housing and transportation choices, are closer to jobs, shops or schools, are more energy independent and help protect clean air and water.
In celebration of Earth Day, the Capitol Region Council of Governments, Connecticut’s largest regional planning agency, is challenging its 30 member towns to engage their residents in an ongoing conversation about sustainability. Please fill out the bottom of this form and submit it to the contact listed below by Friday, April 19, 2013.
