Dear Mr. Hollander:

On behalf of the Capitol Region Council of Governments and its Emergency Planning Committee, I would like to take the opportunity to thank Hartford Distributors for your generous donation of the use of a thirty-two foot trailer with electric lift during Tropical Storm Irene.

Because of your generosity, we were able to operate a commodities distribution unit and deliver food, water and ice to several of our municipalities, including Andover, East Hampton, East Haddam, Hebron and Marlborough from September 1 through September 4. In total, we delivered 22,272 Meals Ready to Eat (MRE's), 756 bags of ice and 46,704 bottles of water. These communities are extremely appreciative of the assistance your company provided, as most of them did not have the equipment or personnel available to pick up the supplies on their own.

Thank you again for your assistance and we hope to build on this new partnership in the future.

Sincerely,

Lyle D. Wray
Executive Director
