RE: Correction

I would like to inform the membership of CRPC and the vendors who participated in the Ladder Testing Services bid that an error was made in entering prices for the bid. Top Rung Inspection and Testing, LLC submitted their bid manually, not through the BidSync system, and the bid they submitted had two pages reversed, so the prices were not applied to the correct line items. I have attached the original bid submitted by Top Rung Inspection and Testing, LLC, and have also posted a corrected Excel Tabulation sheet so the prices are reflected for the actual line items to which they apply.

My apologies for the error and any confusion it may have caused.

Regards,
