

# Route 195 Corridor Study

## Meeting Notice

### Tolland Route 195 Advisory Committee Meeting

7:00 PM

June 23, 2008

Hicks Memorial Municipal Center

Community Room

Tolland, Connecticut

## Agenda

1. **Adoption of Minutes (Meeting on March 13, 2008)**
2. **Welcome, Progress Update, April 24 Workshop Debriefing (CRCOG - 5 minutes)**
3. **Roundabout Design Consideration Presentation (CRCOG - 10 minutes)**

A couple of preliminary concepts that are under consideration within the Village Center include roundabouts. The project team has had an opportunity to do additional research throughout the nation as well as meet with the Connecticut Department of Transportation to understand design components. CRCOG will share our findings with you and discuss roundabout considerations – such as maneuvers, diameter width, center plantings, etc.

4. **Public Comment (10 minutes)**
5. **Presentation – Traffic Considerations and Concept Refinement (VHB - 45 minutes)**

The project team has taken input from the public, stakeholders and past Advisory Committee meetings and further developed conceptual plans to understand potential impacts. The consultant, Vanasse Hangen Brustlin, Inc., will present the concepts identifying pros and cons.

6. **Concept Discussion by Advisory Committee (30-45 minutes)**
7. **Additional Public Comment (if time permits)**
8. **Next Steps**
9. **Other Business**
10. **Adjourn**
