NextGenCT Pathways to UConn: Eastern Gateways Transportation Planning Study
Request for Qualifications
ADDENDUM #1
October 3, 2014

The following summarizes questions received related to the Request for Qualifications for the
NextGenCT Pathways to UConn: Eastern Gateways Transportation Planning Study along with CRCOG’s responses. Additional questions received and corresponding responses will be posted as addenda on our website (www.crcog.org).

The OPM General Letter No. 97-1 is dated November 21, 1996. Is this version still in effect?
Yes, this letter is applicable to all projects that are 100% Connecticut State funded and this study is being funded with LOTCIP State monies. An individual acting in the “Principal” role as described in the letter (i.e., managing, directing and/or administering the contract) must adhere to the $35/hour maximum hourly rate. That same individual may perform work in a separate “employee” capacity (i.e., Project Manager, Draftsman, Senior Engineer, etc.) at the rate for that work task. This study is expected to be a lump sum contract based on approved rates and negotiated manhours.
